

BRAND PORTAL NEW USER REGISTRATION PROCESS

Honeywell

NEW USER REGISTRATION

Here is a brief guide on the new user registration process for accessing our Honeywell Brand Portal. It involves 3 phases, after which you will gain access to the portal.

Please follow the registration steps in the following pages.

For further information, or if you have any questions, please feel free to reach out to your Honeywell contact.

Honeywell

1. Go to <https://brand.honeywell.com/us/en/login> and click on the “new account” button to submit a new user access request.

The screenshot shows the Honeywell Brand Portal login page. At the top left is the Honeywell logo with the word 'BRAND' to its right. The main heading is 'Welcome To Honeywell's Brand Portal'. Below this, a sub-heading reads: 'If you are a Honeywell employee, please use the EMPLOYEES button with your EID/HID and password.' There are three blue buttons: 'EMPLOYEES', 'LOGIN', and 'NEW ACCOUNT'. A note for vendors is present, along with instructions for new users. The footer contains copyright information and links to Terms & Conditions, Privacy Statement, Your Privacy Choices, Cookies Notice, and Global Unsubscribe.

Honeywell BRAND

Welcome To Honeywell's Brand Portal

If you are a Honeywell employee, please use the EMPLOYEES button with your EID/HID and password.

Attention vendors:

New users: Start with the NEW ACCOUNT button to create a Honeywell account. Once approved, you will receive an email confirmation within 48 hours.

Once your account is confirmed, you can use the LOGIN button for access.

Note: Only vendors with a valid Master Service Agreement (MSA), distributors with valid distribution agreements, licensees with a valid trademark agreement and current members of Honeywell Channel Partner Programs will be granted access.

2. Fill in each field to create your Honeywell ID. For the password, consider the specifications. Check all the boxes and click on “Send validation code”.

Password Rules:

- Between 8 and 64 characters
- Contains characters from three of the following:
 - English uppercase characters (A - Z)
 - English lowercase characters (a - z)
 - Base-10 numeric digits (0 - 9)
 - Valid non-alphanumeric (for example: !, \$, #, or %)
- No more than 3 repetitive characters
- Avoid sequential letters or numbers

Account Registration

Enter the details to create your Honeywell ID.

SEND VALIDATION CODE

[CANCEL REGISTRATION](#)

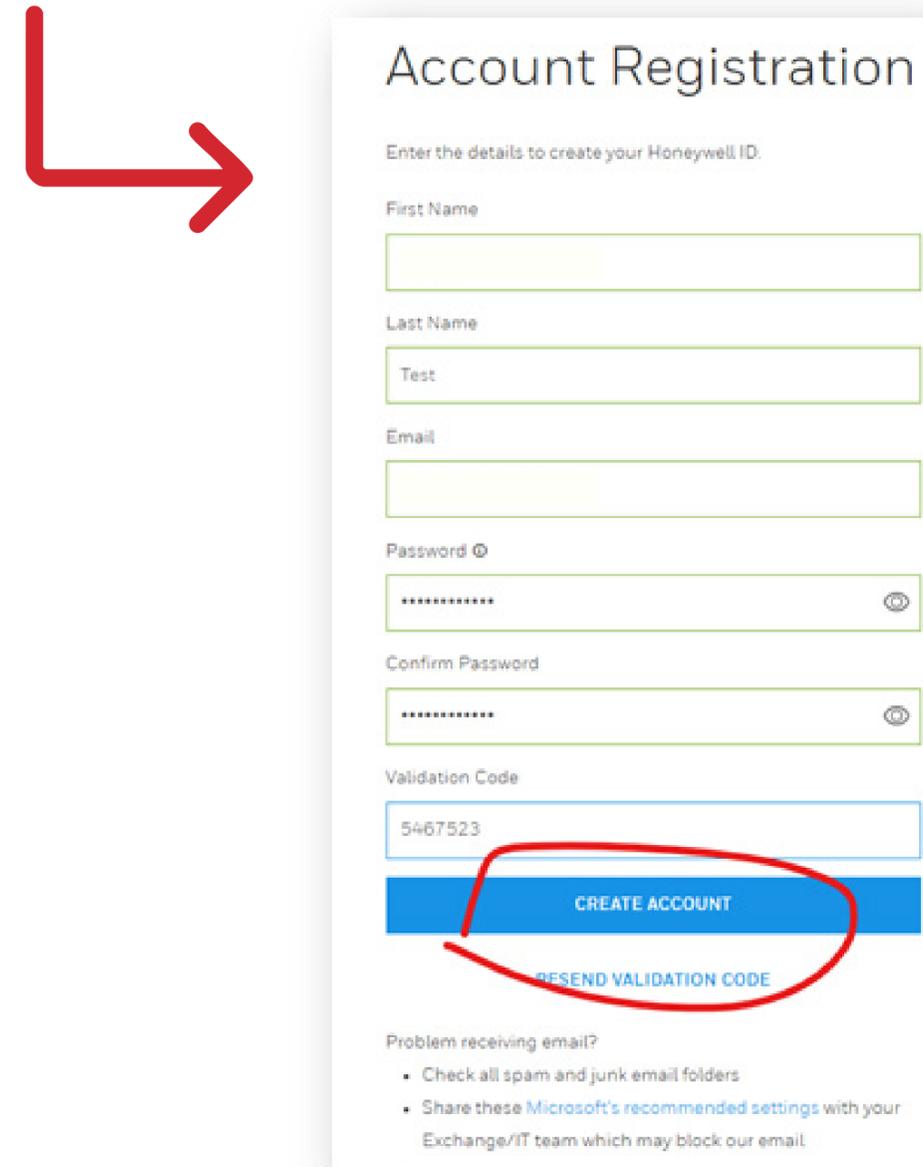

3. After you click on “Send validation code” you will receive this pop up message.

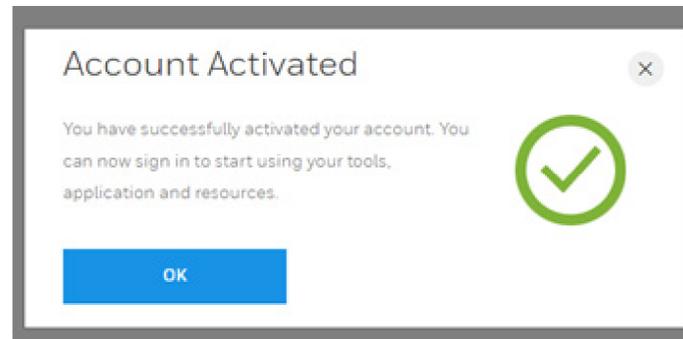

4. You will receive an email with the unique validation code that is valid for 15 minutes only.

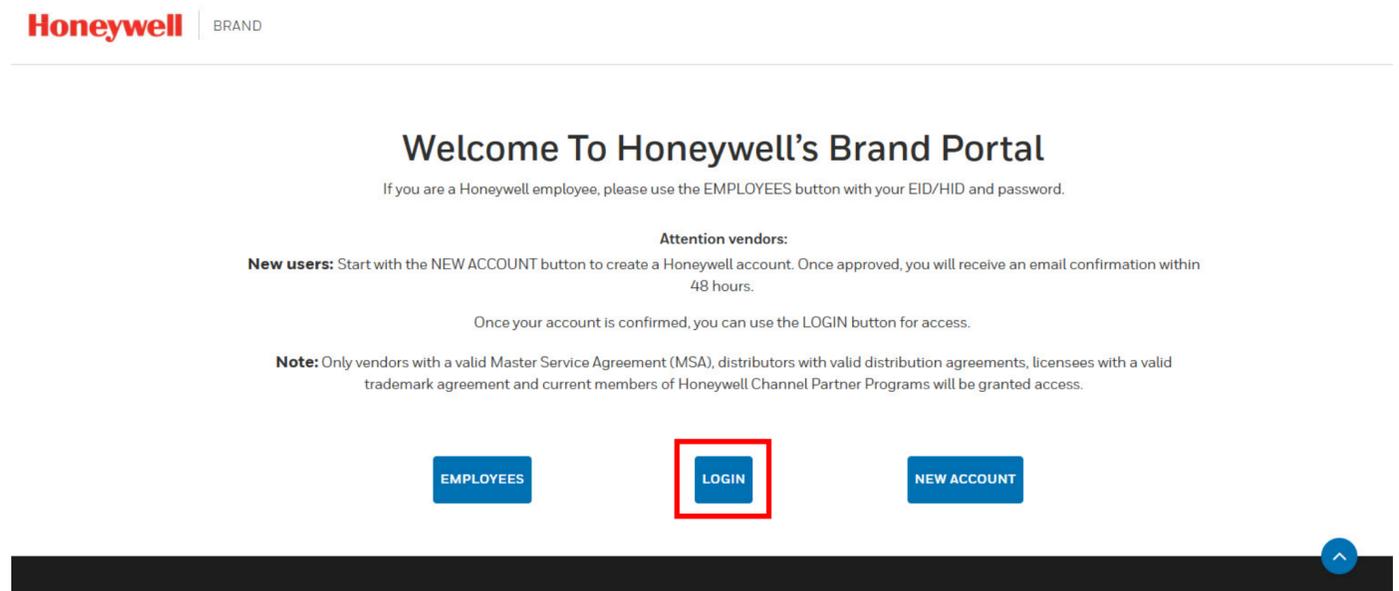

5. Add the code into the “Validation code” field and click on “Create Account”.

6. After clicking on the “Create account” button you will receive this pop up message to confirm that your account is successfully activated.

7. After this step, you can go back to the homepage <https://brand.honeywell.com/us/en/login> and login by clicking on the “login” button.

8. Add your registered email address and click on “next”.

A screenshot of the 'Sign On' form. The title 'Sign On' is centered at the top. Below it is a text input field labeled 'Username / Email @'. A blue button labeled 'NEXT' is positioned below the input field. At the bottom, there is a link that says 'Create an Account'.

9. Add your password and click on “Sign on”.

A screenshot of the 'Sign On' form. The title 'Sign On' is centered at the top. Below it is a text input field labeled 'Username / Email @' with a yellow highlight. Below that is a password input field labeled 'Password' with a masked password '*****' and a visibility toggle icon. There is a checkbox labeled 'This is my device'. Below the checkbox is a line of text: 'Your personal information will be processed accordance with [Honeywell's Privacy Statement](#)'. At the bottom, there is a blue button labeled 'SIGN ON', a link 'SIGN ON AS A DIFFERENT USER', a link 'FORGOT PASSWORD', and a 'CANCEL' button.

10. When the new form opens, fill in your contact details, your Honeywell point of contact and their Honeywell Business Unit. You should have a valid contract with Honeywell before requesting the access. Click on the “request access” after you have filled all the fields.
